SUMMER SEMESTER 2017

■ About the International Student Advisory Office

Throughout your studies in Giessen, the International Student Support Services offer you counselling, information, activities and more. If you have any questions about your studies or problems in other fields (personally, socially or with immigration), we are happy to help you:

Jessica Wilzek and Saltanat Rakhimzhanova
Goethestrasse 58, room 38
Office hours: Mon, Wed, Fri 10 am – 12 pm

We kindly invite you to stop by and we also appreciate your suggestions, ideas, and criticism.

■ InfoTisch and Enrolment for International Exchange Students:

Apr 10 to Apr 13: between 9 am – 12 pm

Goethestrasse 58, room 23

At the InfoTisch our student mentors will welcome you, provide you with useful information, assist you in filling in documents and help you with your enrolment. **Take advantage of these services!** In case of problems or if you have any questions, we are there for you! If required, mentors will support you in dealing with health insurance companies, banks and government agencies.

Do not miss the important events for international students (see event calendar).

■ Individual Counselling Hours

Students coming to Giessen within an exchange program (e.g. Erasmus, ISEP, partnership programs) have a specific program contact person. They will guide you in planning your timetable and arranging your courses. All necessary information and contact details will be provided at the InfoTisch.

■ Further Events for International Students

There will be a **reception for new international students by the President of Justus Liebig University** at the Lokal International (LI) on Wednesday, **April 12 at 5 pm**. A **lecture on the academic system in Germany** and a **CampusTour** will take place on Thursday, **April 13**.

■ German Classes

The International Office of JLU Giessen offers German classes from absolute beginner to DSH-level. For students in an exchange program (Erasmus, ISEP, partner universities), there will be special German classes during the semester. A placement test for these courses takes place during the first week of the semester. Please register online until April 13: www.uni-giessen.de/eveningclasses. Further information is available at the InfoTisch and during office hours at the International Student Support Services.

■ Cultural Activities

During your studies, the International Student Support Services offer the opportunity to discover various German cities and regions. **Excursions** to exciting destinations take place **throughout the year**. You will get details at the InfoTisch. Excursions will also be announced in the International Calendar: www.uni-giessen.de/internationaler-kalender. You can also download the program on: www.uni-giessen.de/international-excursions.

For all new international students there will be a **field trip** on **Saturday, April 15** to the closer vicinity of Giessen: we will visit the beautiful old town of **Wetzlar** and **Braunfels** castle. The fee of € 5 includes a morning coffee and a snack.

■ What are the Living Expenses in Germany?

Expect **around € 680 per month** for living expenses. The funding of your studies (personal funding, scholarships, etc.) has to be ensured before you start studying here. Students from non-EU-countries will need an official statement that they have sufficient financial resources (e.g. a blocked account in Germany, a scholarship certificate of a public scholarship). We will assist you personally if any problems arise in this area. Before you enrol at JLU Giessen, we **strongly advise you to get a German statutory student health insurance** (approx. € 80 per month). The EHIC-card (EU Health Insurance Card) is sufficient for students from EU countries.

■ Accommodation

Please try to organise your accommodation in Giessen **as soon as possible**. For details please see www.uni-giessen.de/wherelive.
