|   |   |  |  |
|---|---|--|--|
| London Eye – Lunch - 10<br>Downing Street –British<br>Museum  |   |  |  |
| <b>Day 12                      Wednesday 17/08/2016      Training at Leicester</b>                      |   |  |  |
| 9.00 – 10.30  | Search, read and cite<br>biomedical literature<br>(生物医学文献检索, 阅<br>读和引用)   | LT2 Bennett Building                               | Dr N Li                                      |
| 10.30 – 11.00   | Coffee Break  | 123, Adrian Building                               | Yourself                                     |
| 11.00 – 12.00   | Assess and supervise an<br>international PGR student<br><br>(实用英语听力: 研究生<br>的培养与考核)   | LT2 Bennett Building                               | Dr Celia May                                 |
| 14.00 – 15.30   | Practical academic English<br>in Biomedical Sciences-3:<br>Prepare oral and poster<br>presentations<br>(学术英语: 如何准备学<br>术会议交流用幻灯和墙<br>报) | 75b Bennett Building                               | Dr K Hayer + English<br>tutors               |
| 15.30-17.00   | Homework time   | Library  | Yourself                                     |
| <b>Day 13                      Thursday 18/08/2016      Training at Leicester</b>                       |   |  |  |
| 9.00 – 17.00  | Guided tour in the College<br>and practice interview<br>(面试指导与实践)   | New Medical Education<br>Building                  | Dr Tom Welsh<br>Dr N Li<br>Prof Xiaodong Xie |
| <b>Day 14                      Friday 19/08/2016      Practical Introduction of British Education-6</b> |   |  |  |
| 8.00-18.00  | Trip 6 – York   | Colleges and museums                               | Dr N Li/Hongliang<br>Wang                    |
| <b>Day 15                      Saturday 20/08/2016, Free Time</b>                                       |   |  |  |
|   | Picnic with British students  | Abbey Park, Leicester                              | Miss Hannah Sutcliffe                        |
| <b>Day 16                      Sunday 21/08/2016, Free Time</b>   |   |  |  |
|   | Optional trips  | National Space Centre or Shakespeare’s Birth Place |  |
| <b>Day 17                      Monday 22/08/2016      Training at Leicester</b>                         |   |  |  |
| 9.30 – 17.00  | Genetic lectures +<br>experiments + DNA<br>Fingerprint activities   | TBC<br>(待确定)                                       | Dr Mark Goodwin<br>Dr Cas Kramer             |
| <b>Day 18                      Tuesday 23/08/2016      Conference</b>                                   |   |  |  |
| 9.30 – 17.00  | Genetics in daily life,<br>research and clinical<br>medicine + Poster   | LT2 Bennett Building                               | Chaired by<br>Prof Ed Louis                  |

|  |  |                        |                              |
|--|--|------------------------|------------------------------|
|  | presentations<br>(遗传学术活动日, 著名专家和在读研究生和博士生讲解最新研究成果+中英大学生论坛) |                        |                              |
| <b>Day 19 Wednesday 24/08/2016 Training at Leicester</b>                     |  |                        |                              |
| 9.00 – 12.00   | Preparation for oral presentations<br>(英语演讲准备: 夏令营观感)      | Library                | Yourself                     |
| 14.00 – 17.00  | Oral presentations rehearsal<br>(英语演讲: 夏令营观感)              | LT8 Bennett Building   | Dr Yan Huang/Dr N Li         |
| <b>Day 20 Thursday 25/08/2016 Presentations</b>                              |  |                        |                              |
| 9.00 – 11.00   | Oral presentations   | LT8 Bennett Building   | Dr Kim Hayer/Dr Gary Willars |
| 11.00 – 11.30  | Coffee break   | Bennett Building       |                              |
| 11.30 – 12.30  | Award of certificates + Closing statement                  | Bennett link LT        | Professor Ed Louis           |
| 12.30 –  | Free time  | Campus/city centre     | Yourself                     |
| 22.40 –  | Online check-in  | Accommodation          | Yourself                     |
| <b>Day 21 Friday 26/08/2016 Practical Introduction of British Culture -7</b> |  |                        |                              |
| 8.00 – 8.30  | Check-out (交回宿舍钥匙+检查护照)                                    | Accommodation          | Yourself                     |
| 8.30 –   | Depart to London   | Accommodation – London | English tutors               |
| 11.00 –  | London Tower   | London                 | English tutors               |
| 12.00 – 16.00  | Museums  | London                 | English tutors               |
| 17.00 –  | Check-in   | Heathrow T2/T4         | Yourself                     |

1: Reserved accommodation:  
06 – 26/08/2016:  
Spectrum Housing Group  
Leicester Royal Infirmary - Accommodation Office  
Elm Court, Walnut Street, Leicester LE2 7GJ  
United Kingdom  
Phone: +86(0)116 255 7482

2: English tutors: will be A-level students (from Loughborough Endowed Schools), who are Native English speakers, or PGR students in the College.

### 举办“留英热身夏令营”的目的:

英国的高质量教育体系享誉全球, 其宗旨是培养学生的严谨治学和创新能力而非考试成绩至上。由于英国的本科以上教育学制短, 教学质量高, 毕业证书含金量高, 被世界各国承认和推崇, 英国已超过美国, 成为中国学生的首选留学目的地。莱斯特大学(University of Leicester)在英国各类排名稳定前二十, 国际排名第 167。生物学是莱斯特的重点学科, 特别是遗传专业, 因拥有 DNA 指纹技术发明者 Sir Alec Jeffreys 教授和最近成功进行的英格兰国王理查德三世 (1452-1483) 遗骸的定点挖掘和 DNA 鉴定身份而享誉全球。这也使莱斯特大学遗传系成为英国

生物医学类高等教育品牌，在英国家喻户晓。在美国和中国相继提出加大力度支持精准医学相关研究的国际大环境下，作为精准医学的基础学科，遗传学（Genetics）不仅成为生物医学领域的各个学科竞相合作的对象，也使莱斯特大学遗传学系的毕业生成为了国际生物医学职场的宠儿。在中国留学申请者日趋增加的形势下，为有效对接中英教育体制和文化的差异，为更多优秀的中国学子提供日后在莱斯特大学医学院读研和读博的机会，“留英热身夏令营”将为生物医学类本科大学生申请莱斯特大学提供有效的培训和评估机制。本夏令营还将为来自中国的各类本科生提供一次绝无仅有的在莱斯特大学遗传系留学的真实体验，在普及遗传学科普知识的同时，启发和锻炼同学们富有爱心，独立思考，独立生活和团队协作精神。夏令营在帮助学生提高英国留学申请能力和国际化职场应聘能力，提供在当地参加雅思考试机会的同时，也为他们展示自己的个人魅力和留学能力提供了有力的舞台。

所有食物，餐饮和门票费用自负，必须购买旅游保险。
