Welcome to UC San Diego

Over the years, UC San Diego has enthusiastically welcomed international students. No matter how diverse their backgrounds, our students share one thing in common: an adventurous spirit of learning. They choose UC San Diego

because of its worldwide research reputation, its prize-winning faculty, and the innovative character of the San Diego region. In return, they enjoy one of the most valuable educational experiences of their lives.

Taught by talented instructors, UC San Diego Extension programs offer the most advanced knowledge and education formats available. Students quickly benefit from immediately applicable information, a wider network of peers, and a more insightful understanding of American culture. In combination with UC San Diego's striking coastal location, our programs are unlike any others in the United States.

Welcome . . . we look forward to meeting you.

Mary Walshok

*Associate Vice-Chancellor, Public Programs
and Dean, UC San Diego Extension*

Welcome to UC San Diego Extension International Programs

The benefits of an international experience motivate thousands of people every year to study in the United States. As they seek academic advancement, they also improve their English language skills and cultural understanding.

UC San Diego's commitment to academic excellence is reflected in the high quality of instruction and curriculum in the programs which are described in this brochure. This, plus our excellent campus facilities, student support services, and idyllic natural surroundings, guarantees the best possible opportunities for your academic success and satisfaction. The information provided here shows, in pictures and in words, why UC San Diego Extension International Programs is the perfect choice for English language studies, university credit, and certificate programs.

We are ready to welcome you to UC San Diego Extension International Programs and to help you get started on the experience of a lifetime!

Roxanne Nuhaily

*Executive Director of International Programs
and Assistant Dean for International Affairs,
UC San Diego Extension*

WHY CHOOSE UC SAN DIEGO?

A Great University

- Part of the ten-campus University of California system: UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco, UC Santa Barbara, and UC Santa Cruz
- 14th internationally in the 2014 Academic Rankings of World Universities conducted by Shanghai Jiao Tong University in China
- 5th among U.S. universities in total research and development expenditures by the National Science Foundation (NSF) for 2013; 14th best research university in the world by the Centre for Science and Technology Studies at Leiden University in 2014
- 6th in the nation, 2nd among all U.S. public institutions, and 13th in the world for total research output by the journal *Nature* in their 2014 index
- 1st in the U.S. for Positive Impact on the United States by the *Washington Monthly College Guide*
- Six Nobel Prize winners on the faculty
- A huge campus (over 5 square kilometers) overlooking the Pacific Ocean, with a community of over 31,000 students
- Ranked the top surfing school in the U.S. by Surflife.com

www.ucsd.edu

WHY CHOOSE SAN DIEGO?

A Great Location

- "America's Finest City" with a great quality of life
- 100 kilometers of beaches, mountains up to 2,000 meters, and the best climate in the United States
- Population: 1.3 million in the city and 3 million in the county
- Center for biomedical research, electronics, and telecommunications
- The perfect base for exploring California, the Southwest, and nearby Mexico
- Voted one of the "Best Rides in America" by *Bicycling Magazine*

www.ucsd.edu/sandiego.html

WHY CHOOSE UC SAN DIEGO EXTENSION?

A Great Selection of Language, Academic, and Professional Programs

- English language programs for personal or professional development
- English language programs to prepare for university studies in the U.S.
- Certificate programs to prepare for work experience or university studies in the U.S.
- Credit-bearing University and University Extension courses at UC San Diego
- Highly experienced International Student Services staff
- Excellent campus location

- Nov 24–25 Thanksgiving Holiday
- Dec 26–30 Winter Holiday Break
- Jan 1 New Year's Holiday (2017)

Ana Paula da Silva

BRAZIL

I am so glad that I studied at UC San Diego's English Language Institute (ELI). The Intensive Academic English program has a variety of courses that have been a great support for the improvement of my English proficiency. Studying at ELI has given me the opportunity to come into direct contact and create friendships with other students from different cultures.

Why Choose UC San Diego Extension International Programs

CONVERSATION LEADERS

Conversation Leaders are an integral part of our Conversation classes. Conversation Leaders are American UC San Diego students and members of the community who actively participate in class with our students several hours during the program.

Conversation Leaders provide students in these programs with the chance to meet and have meaningful interaction with native speakers of English. ELI's expert conversation instructors design and supervise the lessons and conversation activities so that the students' time with the Conversation Leaders will have maximum benefit.

STUDENT HEALTH SERVICES

Registered international students at UC San Diego Extension have access to UC San Diego's Student Health Services. The campus Student Health Services center provides quality primary medical care, including urgent care and support services such as laboratory, pharmacy, and x-ray.

The Student Health Services center is located on campus and is open Monday – Friday, 8:00 a.m. – 4:00 p.m. (Service hours may vary.) For emergencies, students must go to Thornton Hospital, which is also located on campus.

UC SAN DIEGO AND UC SAN DIEGO EXTENSION RESOURCES

Students have access to many University and University Extension resources:

- Highly experienced International Student Services staff
- State-of-the-art language lab
- Two daytime computer labs, one for personal use and one for class work
- Academic advising
- Athletic facilities, recreational classes, and two Olympic-size swimming pools
- Wide variety of on-campus dining facilities
- Campus social and cultural activities
- Campus lectures and performances
- Organized activities and field trips
- Thornton Hospital

This chart shows the twelve core proficiency levels, from beginning to very advanced, in ELI's 10-week programs. Placement in ELI's core levels can only be determined by ELI's placement tests upon the student's arrival.

ELI core levels	APPROXIMATE TEST SCORE RANGES			
	Internet-based TOEFL (iBT)	Paper-based TOEFL	TOEIC	IELTS
ADVANCED				
110	up to 109	up to 630	up to 990	7.5
109				
108	up to 79	up to 550	up to 760	6.0
107				
106				
105	up to 61	up to 500	up to 625	5.0
104				
103				
102				
101	up to 38	up to 425	up to 450	3.5
100				
99				
BEGINNING				

On average, students move up one core level per session. Exceptional students may sometimes advance two levels.

ACADEMIC ADVISING

Our Academic Advisor guides students who are interested in applying to a college or university in the United States. Every quarter students can attend an information session to assist them in understanding the American university system. Additionally, a College Fair is held twice a year so students can obtain information and application materials from representatives of the many colleges and universities in San Diego.

Note: Classes offered for Intensive Academic core levels 99 and 100 will run depending on the number of students enrolled at these levels. If there is an insufficient number of students at these levels, students will be transferred to the Intensive Communication and Culture program.

Tuition: \$3,750

IMPORTANT NOTES: Not all elective courses are offered in every quarter or at every level. The elective courses offered depend on the student's level and sufficient enrollment in the courses. UCSD-ELI reserves the right to determine all issues related to a student's program or level placement. Decisions on ELI courses and programs depend on staffing needs/availability and resource allocation.

Conversation Partners

UC San Diego's English Language Institute provides a list of Conversation Partners, UC San Diego university students and employees, who would like to help international students with English conversation in exchange for the opportunity to practice/learn the international student's native language. Conversation Partners provide students with the chance to meet and have meaningful interactions with native speakers of English.

10-Week Intensive Language Programs

The UC San Diego English Language Institute (ELI) is CEA-Accredited

UC San Diego's ELI is officially accredited by the Commission on English Language Program Accreditation (CEA). CEA is recognized by the U.S. Department of Education as a national accrediting agency for English language programs and institutions. This recognition gives CEA the distinction of being the only specialized accrediting agency for English language programs and institutions in the U.S. CEA's mission is to promote excellence in the field of English language teaching and administration through accreditation of English language programs and institutions worldwide.

4

Class choices are dependent on the student's English proficiency level.

Tuition: \$3,750

Note: This program is strictly for students interested in learning English through business topics and skills development. This is primarily an English language program.

Adriana Agelris

VENEZUELA

Studying at the UC San Diego English Language Institute (ELI) was my best decision ever. The intensive Business English program provided me instruction of the highest quality to help me communicate with different people from different countries, and understand their business practices. I am convinced that my academic experience at UC San Diego ELI will create future opportunities for success. I want to thank my teachers at the English Language Institute for all their support, help, and advice that made me a better person as well as a better student.

SPECIAL NOTE: Students who enroll in the Intensive TOEFL Preparation and Intensive Business English programs must arrive for the first day of the published start-date. Due to planning requirements, we cannot accept late arrivals for these programs. Students who do not arrive for the first day of the published program start-date will lose their space and will automatically be transferred into our Intensive Academic Program for the quarter.

IMPORTANT NOTES: Not all elective courses are offered in every quarter or at every level. The elective courses offered depend on the student's level and sufficient enrollment in the courses. UCSD-ELI reserves the right to determine all issues related to a student's program or level placement. Decisions on ELI courses and programs depend on staffing needs/availability and resource allocation.

10-Week Intensive Language Programs

Khalid Alajmi

KUWAIT

I am happy with my experience at UC San Diego ELI, because I have improved my English faster than I expected to, and the teachers at UC San Diego ELI have always been available to help when I have had questions about my studies or about assimilating into American culture.

6

INTENSIVE LEGAL ENGLISH PROGRAM

- 25 hours per week
- **Advanced levels only (ELI core levels 108-110), as determined by the UCSD-ELI placement tests taken upon arrival. A score of 90 on the TOEFL iBT or 7.5 on the IELTS also fully satisfies the English proficiency requirement.**
- Applicants must submit academic transcripts for their four most recent semesters, showing previous studies in Western law or Western civilization, and a brief statement to explain previous law-related experience and their purpose for taking this program
- Special nine-hour core class providing
 - an introduction to or a review of U.S. legal systems
 - trial procedures
 - landmark cases
 - social/cultural trends that affect the law
 - guest lectures by legal scholars and practicing attorneys
 - readings, vocabulary study and discussion
 - participant presentations
 - class excursions to the courthouse or other sites
- Required: Grammar or Advanced Vocabulary and Discussion through Film (4 hours)
- Nine hours of class chosen from a list of elective classes which may include the following advanced courses: Business Reading and Discussion, Conversation, Idioms and Slang, Academic Writing, Reading Skills, Discussion through American Music, IELTS Reading and Writing, Oral Presentations, Business Presentation skills, Advanced Vocabulary, Vocabulary for Business and Finance, Spelling and Punctuation, and TOEFL Preparation.

The Legal English core classes are taught by highly skilled English instructors with a master's in linguistics, TEFL, or related field in language learning. The senior instructor has a keen interest in law and arranges all field trips and expert guest lecturers.

Students who complete this program with strong grades and references from all ELI instructors may be eligible for conditional admission to California Western School of Law. For more information, contact ipinfo@ucsd.edu.

Note: This program can only be taken one time.

Tuition: \$3,950

7

INTENSIVE PRE-UNIVERSITY PROGRAM

Only available for qualified students continuing directly from a UC San Diego ELI 10-week English language program

- 9-17 hours of English language instruction per week
- **Eligible students must have achieved placement in advanced levels 109-110 with certain minimum scores on ELI's writing and listening placement tests (equivalent to 90 iBT or 7.5 IELTS)**
- For students who have completed at least one 10-week English language program at UC San Diego ELI, and who have excellent grades and attendance prior to starting the IPU program.
- Students must submit copy of transcripts in English for the four most recent semesters of academic studies. These transcripts must show that the student achieved grades in the top 10% of his/her classes.
- 1-2 University or University Extension courses per week (Extension business and law courses are not permitted.)
- Credits may be transferable to degree programs.
- Required hours of ESL instruction and allowed university courses depend on student's language proficiency.
- Core classes for fluency and comprehension
- Wide variety of courses for academic preparation and cultural understanding

For English language class electives, see Communication and Culture and Intensive Academic programs on page 6.

Students with strong academic records and very advanced English skills may prefer to enroll in the University and Professional Studies Program. (See pages 14-15.)

Note: In the summer, this program may only be taken with a combination of English classes and UC San Diego Extension classes. Regular university classes are not available in this program in the summer.

Tuition: \$4,450*

***Tuition does not include optional student recreation fee, optional library use fee, any required course lab fees, or additional premium tuition for certain technical courses and graduate-level courses.**

IMPORTANT NOTES: Not all elective courses are offered in every quarter or at every level. The elective courses offered depend on the student's level and sufficient enrollment in the courses. UCSD-ELI reserves the right to determine all issues related to a student's program or level placement. Decisions on ELI courses and programs depend on staffing needs/availability and resource allocation.

UNIVERSITY PREPARATION ACADEMY

This program focuses on preparing students to enter a bachelor's or master's degree program in highly selective and competitive American universities.

Admission Requirements

- **Advanced levels only (ELI core levels 108-110). Proficiency levels will be determined by ELI tests given upon arrival to UC San Diego, or the student must have a language proficiency score of 90 iBT or 7.5 IELTS**
- High school or university transcripts for the four most recent semesters must show grades in the top 5-10%. Transcripts must be in English.
- Continuing students coming directly from UC San Diego's ELI 10-week programs must have excellent attendance and grades in previous ELI classes, placement in one of ELI's highest proficiency levels, and certain minimum scores on ELI's placement exams. (Specific requirements for continuing students are available from the ELI Academic Advisor.)

Program Description

- 20 hours per week of rigorous class content and substantial homework load
- Can be taken for one or two quarters
- Focus on writing, research, and speaking excellence for university success
- Development of effective skills for meeting faculty and peer expectations in the American university classroom

Academic Advising:

- Matching student's goals and record of achievement to university admission standards
- Choosing a degree program
- Guidance in the application process to ensure timely and complete submission of university application materials

University Preparation Classes, including:

- Research Paper Writing
- Paraphrasing and Summarizing
- Analytical Reading and Critical Response
- Discussion and Fluency for University Success
- University Lecture and Note-taking Skills

Concentrated Academic Skills, including:

- Academic Reading and Writing
- Public Speaking
- Advanced Vocabulary
- Advanced Grammar

For continuing students in the Academy, three or four hours per week of Academy class time may be substituted for one main-campus credit-bearing class, depending upon the student's goals and in consultation with the Academic Advisor.

Courses are offered on a rotation basis depending on the quarter when a student enters the program. ELI reserves the right to make changes to the program and course offerings depending on total enrollments and student needs.

Follow-On Programs:

Students who complete one or two quarters in the ELI Academy have the opportunity to continue their studies at the ELI until they receive University admissions. Students may enroll in the Intensive Academic English program, Intensive Pre-University program, and/or University and Professional Studies program before or following completion of one or two quarters in the Academy.

Tuition: \$3,950

ELI 10-Week Recent Program Statistics

- Average number of students each ten weeks: 525
- Countries represented: 55
- Number of levels: 12
- Average class size: 16
- Class size range: 6-20
- Median age: 26

Feiyu (Felix) Yan

P.R. CHINA

I applied to the University Preparation Academy with the goal to get accepted and complete a Master's of Finance at UC San Diego's Rady School of Management. My instructors helped me create the best possible Statement of Purpose and CV, which definitely helped when I applied to Rady. They also offered me good advice on making appointments with professors. I am happy to report that I was accepted to the Rady School of Management. I was very lucky to have excellent instructors in the University Preparation Academy who always supported me. Every time I return to the English Language Institute, I feel at home. It's like my home overseas.

Mission Statement of the English Language Institute

It is our mission to provide English language instruction of the highest quality, in which people can learn to their full potential, develop a deeper understanding of the United States, and always receive courteous and knowledgeable service.

IMPORTANT NOTES: Not all elective courses are offered in every quarter or at every level. The elective courses offered depend on the student's level and sufficient enrollment in the courses. UCSD-ELI reserves the right to determine all issues related to a student's program or level placement. Decisions on ELI courses and programs depend on staffing needs/availability and resource allocation.

Short-Term English Language Programs

1

CONVERSATION

- 4 weeks
- Monthly, except April, May, June and November
- 10 hours per week plus additional field trip time
- Mostly two hours each day, schedule varies
- Beginning, intermediate, and advanced students

A part-time program to improve fluency in spoken English. Two field trips per month, and Conversation Leaders are integrated into the language-learning curriculum.

Limited homework.

Tuition: \$1,400

This part-time program does not qualify for an I-20.

2

CONVERSATION AND FLUENCY

- 4 weeks
- Monthly, except April, May, June and November
- 20 hours per week
- Mostly four hours each day, schedule varies
- Beginning, intermediate, and advanced students

This program focuses on conversation, fluency-building, American culture topics, and practical skills training for everyday communication. Students will have structured lessons in grammar and vocabulary development. Practical, interactive classroom lessons are combined with carefully planned cultural field trips.

Two field trips per month and presentations made by guest speakers, and Conversation Leaders are integrated into the language-learning curriculum through well-prepared lessons.

Moderate homework.

Tuition: \$1,900

3

BUSINESS ENGLISH

- 4 weeks
- July, August
- Average 25 hours per week, schedule varies
- High-intermediate and advanced students*

A program for serious students who want to increase their English fluency through business content studies. The focus is on working in teams, making presentations, negotiating, meeting skills, business vocabulary, and writing while surveying topics such as American Business, Marketing, Finance, International Trade, Management, and Human Resources.

This program includes expert guest speakers, conversation leaders and visits to local businesses. Guest speaker dates and company visits vary according to availability.

Substantial homework.

Tuition: \$2,200

*SPECIAL NOTE ABOUT BUSINESS ENGLISH AND MEDICAL ENGLISH:

Only high-intermediate and advanced students will be accepted into these programs. This corresponds to a minimum score of approximately 71 on the iBT or 6.0 on the IELTS or Cambridge Exam (FCE): Pass. Students who do not obtain minimum scores on UCSD-ELI placement exams will be transferred to the Conversation and Fluency program.

For more details on these programs, write to ipinfo@ucsd.edu.

4

MEDICAL ENGLISH

- 4 weeks
- January, July, August
- 20 hours per week
- Mostly four hours each day, schedule varies
- High-intermediate and advanced students*

Participants must have previously taken an anatomy/physiology course. This intensive program focuses on the mastery of specific medical vocabulary and idioms, and improvement in the ability to communicate in English in a hospital or clinical setting.

Topics include:

- U.S. healthcare delivery system
- the language of patient interaction
- human anatomy and physiology
- medical history-taking
- trauma and emergency care
- diagnostic and treatment procedures
- development of presentation and medical writing skills

UC San Diego is a major center for medical research and development in healthcare. This program features expert guest speakers as available.

Due to visitation restrictions and patient privacy laws, we do not guarantee visits to hospitals and clinics nor observations of actual medical procedures as part of the Medical English program.

Substantial homework.

Tuition: \$2,500

Conversation Leaders

Conversation Leaders are an integral part of our Conversation classes. Conversation Leaders are American UC San Diego students and members of the community who actively participate in class with our students several hours during the Conversation program and the Conversation and Fluency program.

Conversation Leaders provide students in these programs with the chance to meet and have meaningful interaction with native speakers of English.

ELI's expert conversation instructors design and supervise the lessons and conversation activities so that the students' time with the Conversation Leaders will have maximum benefit.

Short-Term English Language Programs

5

ACADEMIC ENGLISH

- 4 weeks
- January, February, March, April, May, June, July, August, September and November
- 20 hours per week, schedule varies
- High-intermediate and advanced students*

A demanding program for serious academic students. Focus on developing fluency and accuracy in all language skills. Considerable time is spent on grammar, reading, and writing. Students will be placed into a core class according to their English level as demonstrated on ELI's placement tests upon their arrival. In addition, students will have two elective courses. Choices may include:

- Vocabulary development
- Writing development
- Listening and discussion
- TOEFL preparation
- Pronunciation and fluency
- Reading skills

Substantial homework.

Tuition: \$1,900

Note: Electives are on a space-available basis.

Advisory About Variable Enrollments

Enrollment numbers in our Academic, Conversation, and Conversation and Fluency programs vary greatly from month to month. If our placement tests indicate that a student's English proficiency level does not permit placement in the original 4-week program class, we may place the student in 4 weeks of study in a corresponding 10-week program, or we may provide a combination of classes to ensure a full-time program of 20 hours per week for 4 weeks. Alternatively, we may decide to place all 4-week program students in level-appropriate classes in a corresponding 10-week program in order to provide a program of 20 hours per week for 4 weeks. When this happens, the students' 4-week program will have the features described for the new 10-week program, not the features described for the original program. The tuition and fees for the students' 4-week program enrollment will remain the same.

*SPECIAL NOTE ABOUT ACADEMIC ENGLISH:

Only high-intermediate and advanced students will be accepted into this program. This corresponds to a minimum score of approximately 71 on the iBT or 6.0 on the IELTS or First Cambridge Exam (FCE): Pass. Students who do not obtain minimum scores on UCSD-ELI placement exams will be transferred to the Conversation and Fluency program. In April, May, June, and November, when Conversation and Fluency is not offered, students testing lower than high-intermediate will receive classes to ensure a full-time program of 20 hours per week.

Wataru Horinouchi

JAPAN

I'm a pharmaceutical student and one of my goals is to be able to discuss medical issues in English. In that regard, Medical English was extremely helpful to me. Not only did it provide me with basic medical knowledge and vocabulary, but also deep insights on a lot of medical topics, such as health care programs of several countries, the most common diseases in several countries, and so on. Only a few English Language Institutes have this course, and I am certain I made the best choice among them. My teacher was the best.

Work Experience and University Study

Jiawei Li

SINGAPORE

UC San Diego is an excellent university, and I like the environment. I feel very relaxed, comfortable, and happy here. The teachers are wonderful.

WORK EXPERIENCE: OPTIONAL PRACTICAL TRAINING (OPT)

After one academic year (three consecutive quarters) of full-time study in a non-language program in the United States, students can apply for permission to work up to 12 months in their field of study as a practical application of what they have learned. This is called Optional Practical Training (OPT).

The International Student Services (ISS) staff will assist students with their application for OPT. The ISS staff has a very high success rate with OPT applications. They cannot, however, guarantee the approval of the application by the U.S. government.

Please note that the International Student Services staff does not assist with job search or job placement services.

EXAMPLE OF PATHWAY TO OPT

APPLYING FOR UNDERGRADUATE ADMISSION TO UC SAN DIEGO

It is difficult to enter UC San Diego as a foreign student in the first year. It is much easier to transfer from a California community college (after two years of study) into the third year at UC San Diego. In recent years over 90% of transfer students come from California community colleges. This is the best pathway to undergraduate UC San Diego admission for most international students.

EXAMPLE OF PATHWAY TO DEGREE PROGRAM

For more information on undergraduate admission to UC San Diego, visit internationaladmissions.ucsd.edu. Students interested in taking UC San Diego or Extension courses should see the University Preparation Academy (page 9), the UPS program (pages 14-15), Business Certificate programs (pages 17-21), or the TEFL Certificate programs (pages 22-23).

The differences between University of California, California State University, and the California Community Colleges

The University of California has 10 campuses, more than 220,000 students, and is designed for the best qualified students. Only the top 12.5% of California high school students are eligible for entry, but a much smaller percentage is accepted. universityofcalifornia.edu

The California State University has 23 campuses, over 447,000 students, and is much more inclusive than the University of California system. The top 25% of California high school students are eligible for entry. calstate.edu

The California Community Colleges has 109 campuses, over 2.1 million students, and provides the first two years of college education only. Students spend their first two years at a community college and then transfer to one of the campuses of the University of California or California State University, to complete their last two years of undergraduate study. ccco.edu

Summer University Credit Programs

SUMMER SESSION I (PART-TIME OR FULL-TIME) SUMMER SESSION II (PART-TIME OR FULL-TIME)

Enroll in Summer Session and experience California's beach culture while studying at one of the most prestigious universities in the world.

This program is for students who have a strong academic background, and who would like to take a full-time or part-time schedule of credit-bearing courses at UC San Diego. Summer Session consists of regular university courses compressed into two five-week periods. Both sessions are very rigorous. A schedule of 8 units (usually two classes) is considered full-time study. Students must achieve above-average final grades in all coursework ("B" or better).

Dates:

Session I:

June 24–July 30, 2016

Session II:

July 29–September 3, 2016

Tuition:

- Prices will be available and posted to our website in March 2016.
- Payment must be received in full at the time the application is sent.

SUMMER SESSION I AND II ADMISSION REQUIREMENTS

Proof of Language Proficiency	CEFR (level C1)	TOEFL iBT: 90	IELTS: 7.5	Cambridge Advanced Exam: Pass
-------------------------------------	--------------------	---------------------	---------------	-------------------------------------

Admission requirements:

1. Copy of transcripts in English for the four most recent semesters of academic studies. These transcripts must clearly indicate excellent academic achievement—top 10% in your school.
2. List of 4 courses per session, organized by session, that you would like to take at UC San Diego. Go to tritonlink.ucsd.edu to see which classes are offered for SSI and SSII. Under "Enrollment Tools" select "Full Schedule of Classes." Make sure to check the prerequisites for each class. To be eligible to enroll into classes, all prerequisites must have been taken.
3. A one-page statement explaining your reasons for choosing UC San Diego for your study abroad experience.
4. In addition to the 2016 International Programs application, students must also submit a 2016 Supplemental Summer Session Application. For the 2016 Supplemental Summer Session Application, please visit our website: ip.extension.ucsd.edu

Donatien Kouakou

IVORY COAST

My main goal is to get into a very good graduate program after my bachelor's degree. By attending the UC San Diego Summer Session, I had an international experience in an outstanding university very well ranked in my major, which is Political Science. This will definitely give a magic touch to my application for Ph.D. programs in the U.S. After completing a Ph.D., I plan to return to Africa to help in community projects to reduce extreme poverty.

Surfing in San Diego

University and Professional Studies Program

If you have very advanced English language skills, excellent grades, and are prepared to work hard, you can take a full-time schedule of credit-bearing courses at UC San Diego and/or UC San Diego Extension while studying alongside American UC San Diego students.

UNIVERSITY AND PROFESSIONAL STUDIES (UPS) \$7,800 (12 units)

The UPS program is also suitable for working professionals who wish to improve their knowledge to help them stay current with industry trends and changes.

Universities in many countries count these credits towards their own bachelor's or master's degree programs. Transferability is at the discretion of the home university and must be verified in advance by the student.

Program Features:

- 12-week program (per quarter)
- Official UC San Diego or UC San Diego Extension transcript – credit may be transferable to another college or university in the U.S. or your home country
- Regular academic advising sessions
- Students must achieve above-average final grades in all coursework ("B" or better).
- In the fall, winter, and spring quarters, UPS students take a full-time program (12 units) consisting of UC San Diego and/or UC San Diego Extension courses in any combination.

The following are some of the departments and courses that UPS students have enrolled in:

Anthropology

Bioengineering

- Biotechnology
- Bioinformatics

Biology

- Biochemistry and Cell
- Ecology, Behavior, & Evolution
- Human Biology
- Microbiology
- Molecular Biology
- Physiology and Neuroscience

Chemistry

- Chemical Education
- Chemical Physics
- Environmental Chemistry
- Molecular Synthesis

Cognitive Science

- Clinical Aspects of Cognition
- Computation
- Human Cognition
- Human Computer Interaction
- Neuroscience

Computer Science

Economics

Engineering

- Aerospace Engineering
- Computer Engineering
- Electrical Engineering
- Engineering Physics
- Mechanical Engineering
- Nanoengineering
- Structural Engineering

Global Policy and Strategy

History

Linguistics

Literature

Mathematics

Music

Philosophy

Physics

Political Science

Psychology

Rady School of Management

- Accounting
- Organizational Leadership
- Global Business Strategy
- Business Ethics & Corporate Responsibility
- Enterprise Finance
- Financial Investments

Scripps Institution of Oceanography (undergraduate only)

- Geology
- Geochemistry
- Geophysics

Sociology

Theater

UC San Diego Extension courses (many academic areas)

and many more...

Line Holme Mehlum

NORWAY

The cool thing about the UPS program is that you can pick and choose classes from both UC San Diego Extension and UC San Diego main campus classes. I loved how I had full freedom to pick the classes that I wanted to fill up my 12 units.

San Diego Gaslamp Quarter

University and Professional Studies Program

Tuition Note:

For dates, please see pages 2-3.

Additional tuition is required for more than 12 units. Tuition does not include optional student recreation fee, books, required course lab fees, or additional premium tuition for certain technical courses, graduate-level courses, and seminars. Tuition will increase in January 2017.

UPS ADMISSION REQUIREMENTS

Proof of Language Proficiency	CEFR (level C1)	TOEFL iBT: 90	IELTS: 7.5	Cambridge Advanced Exam: Pass
Additional requirements: <ol style="list-style-type: none">1. Copy of transcripts in English for the four most recent semesters of academic studies. These transcripts must clearly indicate excellent academic achievement - top 10% in your school. Please include cumulative grade point average.2. List of 12 or more courses per quarter, organized by quarter, that you would like to take at UC San Diego or UC San Diego Extension. Be sure to use the UCSD Course List form for this. You will find the Course List Form on our website under "What to Send" in our "How to Enroll" section. Make sure to check the prerequisites for each class. To be eligible to enroll into classes, all prerequisites must have been taken.3. A one-page statement explaining your reasons for choosing UC San Diego for your study abroad experience.				

Participating in this educational program does not in itself provide preference in admission to the University of California degree programs. Students interested in applying to UC degree programs should refer to the UC Admissions website, or the websites of other UC campuses they wish to attend, for details about their admissions process.

Enrollment is on a space-available basis

Enrollment in all classes is on a space-available basis and requires instructor and/or departmental approval after the student arrives. If there are no available spaces, the instructor may require that the student wait for several days to see if any other students drop the class before enrolling a UPS student. Many class enrollments are not confirmed and completed until the second or third week of the quarter. It is especially difficult to get enrollment approvals for first-choice classes in our prestigious Computer Science department.

Important Information about choosing classes

Some graduate-level courses are not available to UPS students. UPS students may not enroll in graduate business courses at the Rady School of Management or any courses in the School of Medicine or the School of Pharmacy.

It is very important to be flexible in your course selection and include a list of 12 or more classes per quarter that you would like to take when applying for admission to the UPS program. For a complete list of all UC San Diego courses please see the "Full Schedule of Classes" section at: students.ucsd.edu

For a list of UC San Diego Extension course offerings please see: extension.ucsd.edu/studyarea/index.cfm

Students may also enroll in the UPS program in order to complete one or more of UC San Diego Extension's part-time professional certificate programs.

Xuyan (Claire) Zhang

P.R. CHINA

UC San Diego has broadened my horizon. The grading process is different from most Chinese schools, requiring reading assignments, in-class quizzes, projects, and class participation. As an international student, I got a lot of help from professors and teaching assistants during class and during their office hours. UC San Diego encourages international vision. I have been able to make friends from all over the world and deeply expand my thoughts and outlook on many things. Studying abroad is not easy—it requires you to balance study and having fun. However, as my dad says, "obstacles make a stronger you."

Mission Basilica San Diego de Alcalá

Summer Youth Program for University Immersion

ACADEMIC CONNECTIONS INTERNATIONAL (ACI) \$5,300

Dates: July 10-30, 2016

Academic Connections International (ACI) is a summer 3-week UC San Diego academic and residential immersion program targeted to international secondary students who are 16-18 years of age and have advanced English proficiency.

Students enroll in one course to explore a particular topic in depth. In addition to a challenging and active learning experience, social and recreational activities are planned for the afternoons and on weekends.

This program is for students with strong academic records and advanced English proficiency who would like to have an insightful American pre-university preparation experience along with American teenage students.

Program Features:

- On-campus housing with American students for three weeks
- Breakfast, lunch, and dinner at campus cafeteria
- UC San Diego academic instruction and activities
- An opportunity to take various chaperoned field trips to local sites
- Access to laboratory equipment as part of classwork
- Guest speakers
- Project supplies
- Transportation to and from scheduled field trips during the program
- Constant adult supervision

The courses for Academic Connections 2016 will be determined and posted on our website in February 2016. For a complete list of courses offered in previous ACI programs, please see our website: www.ip.extension.ucsd.edu.

Example courses from 2015 include:

- Audiovisual: Music's Place in Film, Television and Art
- Exploring Youth Subculture: A Sociological Perspective
- Innovative Writing Across Media: An Introduction to the College Workshop
- Introduction to Bioinformatics
- Introduction to Cognitive Science
- Introduction to Fluid Mechanics in Mechanical Engineering: From a Straw to an Airplane
- Introduction to Logic: From Aristotle to the Information Age
- Introduction to Mechanical Engineering and Materials Science
- Introduction to Philosophical Ethics
- Introduction to Psychology
- Introduction to Science and Technology in Society
- Introduction to Structural Engineering: From Pyramids to Modern Engineering Marvels
- Media Matters: Stereotypes and Social Change in Popular Media
- Neuroscience: From Brains to Behaviors
- Photo Essay: Seeing San Diego Through Image and Text
- Scripps Institution of Oceanography: Introduction to Marine Biology
- Scripps Institution of Oceanography: Marine Invertebrates
- Scripps Institution of Oceanography: Wind, Waves and Currents - The Physics of the Ocean World
- Social Problems and Civic Action: Critical Thinking, College Writing and Community Involvement
- Sonic Arts: Building Musical Instruments (Real and Imaginary)
- The Dead Speak: Learning about the Past through Human Remains and Related Contexts
- Waves: Rolling in the Deep

For more information and the supplemental ACI application, please see: ip.extension.ucsd.edu or contact ipinfo@ucsd.edu. This program does not qualify for an I-20.

ACI ADMISSION REQUIREMENTS

Additional requirements: <ul style="list-style-type: none">• Completed International Programs application and the Supplemental ACI Application• Copy of transcripts in English for two most recent years of academic studies, showing a strong academic history• TB Form (page A6 of International Programs application form)	

Business Certificate Programs Overview

If you are an international student with advanced English language proficiency, and you are looking to launch or accelerate your career in business, then these business programs are just what you need to acquire the expertise necessary to advance in your career.

These business programs are designed specifically to add breadth and depth to your existing knowledge and skills and help you achieve your professional goals.

The business department is pleased to offer four programs:

- BUSINESS ESSENTIALS
- INTERMEDIATE BUSINESS ESSENTIALS
- BUSINESS MANAGEMENT
- PROJECT MANAGEMENT

The popular **Business Management** and **Business Essentials** certificate programs offer students the opportunity to build job skills and knowledge or to prepare for graduate studies through an extensive introduction to U.S. business practices. To complement the classroom experience, internships are incorporated into both of these business programs, allowing each student the opportunity to apply what is learned in an American workplace and gain a competitive edge in the global job market.

Given the increased demand for project managers worldwide, the business department offers an intensive certificate program in **Project Management** that can be completed in two quarters.

Intermediate Business Essentials is designed for the student who has earned a bachelor's degree and possesses a high-level proficiency in English. This post-baccalaureate, enriched business training option consists of one, two or three quarters of study.

IMPORTANT NOTE: The business programs reserve the right to make decisions on all issues related to a student's program placement. Students, once admitted, must complete each quarter with strong academic performance.

Antonio Baraza Sastre
SPAIN

The Business Essentials certificate program has helped me to focus my professional goals and has been a truly positive educational process. I will see the value for the rest of my life. I have had the pleasure to live the life I always dreamt of, studying in one of the best universities in the world, skate-boarding to the university, surfing, playing golf at Torrey Pines Golf Course, and meeting people from around the world. Since I arrived in San Diego, my level of English has improved considerably, and I have explored the State of California, which is paradise.

All Business Certificate Programs

1. Can I apply without all the required documents?	No. You will need to wait to apply until you have all the required documents. The only exception is if you have all the required documents except the language score AND you are currently attending the UC San Diego Extension English Language Institute (ELI). Only students who attend UCSD-ELI can apply for conditional acceptance to the business certificate programs.
2. What is conditional acceptance?	It means you are provisionally accepted based on all requirements except for the language score. This is strictly for students currently attending a 10-week English language program at UC San Diego Extension ELI. An acceptable language score is still required before you will be fully accepted.
3. Is there a deadline to apply?	Given the popularity of the programs, it is recommended to submit the application FOUR months in advance. Admission is competitive, and not all applicants are admitted to the program. NO APPLICATIONS WILL BE ACCEPTED WITHIN THE FINAL TEN DAYS BEFORE A PROGRAM'S START-DATE.
4. Is a car required?	Yes, access to a car or other reliable transportation is required, as some classes (day and/or evening) are located at the off-campus UC San Diego Extension facility (University City Center), which has very limited or no public transportation.
5. Can I add an extra quarter after I arrive?	Yes; however, if the student requests and is approved for a longer program, the student must pay a \$500 USD Business Program Extension fee, plus any additional tuition required for the longer program. However, if the student requests and is approved for a longer program during the first week of classes in his/her first quarter, the Business Department will waive the \$500 Program Extension fee.

Business Certificate Programs

San Diego downtown on the harbor

BUSINESS ESSENTIALS (1 QUARTER) \$7,000
BUSINESS ESSENTIALS (2 QUARTERS) \$11,500
BUSINESS ESSENTIALS (3 QUARTERS) \$16,000
BUSINESS ESSENTIALS (4 QUARTERS) \$19,500

Business Essentials is designed for international students who are 21 years old and above, with at least two years of university study and minimal work experience, who wish to obtain a broad introduction to American business practices.

Program Benefits:

- Develop business skills, knowledge and abilities by learning American business fundamentals.
- Participate in multiple business modules and get broad exposure to varied business disciplines.
- Complement classroom work and gain practical experience in an American workplace by completing a 48-hour unpaid on-campus internship.
- Study alongside international and American students in some classes and build your network.
- Apply for OPT after three consecutive quarters of study.

BUSINESS ESSENTIALS ADMISSION REQUIREMENTS

Proof of Language Proficiency	TOEFL paper-based: 530	TOEFL iBT: 71	TOEIC: 700	IELTS: 6.0	Cambridge First Certificate (FCE): Pass
<p>Additional requirements:</p> <ol style="list-style-type: none"> 1. Official university transcripts in English (minimum of two years full-time university study required) indicating a strong academic record; include a grading key. (Please note that transcripts must be included for all academic degree programs attended.) 2. Dated and signed letter of recommendation on university or company letterhead from a professor or supervisor. 3. Resume or CV. 4. Essay: minimum 200 words explaining your qualifications and motivation for taking the program. 5. Must be 21 years old by the program start-date. 					

Business Essentials Overview

1st quarter (22 units)	2nd quarter (15 units)	3rd quarter (12-15 units)	4th quarter (12-15 units)
The Business Essentials first-quarter program covers topics including business operations, human resources, communication, team building, project management, negotiation, planning, entrepreneurship and money and banking. The first quarter also allows students to participate in an on-campus internship experience. (First-quarter textbook included.)	Second-quarter courses build upon the foundation developed in the first quarter of Business Essentials. The curriculum consists of the following required courses: <ul style="list-style-type: none"> • Introduction to Business • Basics of Project Management • Business Communication Skills • Organizational Behavior • Marketing: Experiential Learning 	Third-quarter courses continue to enrich students' knowledge. The curriculum consists of the following required courses: <ul style="list-style-type: none"> • Bookkeeping for Business • The Recruiting Process • Strategic Cross-Cultural Communication • Elective—Students will have the opportunity to choose an additional class from a list of business elective courses as determined by the business department. 	As a fourth quarter of Business Essentials, a student may pursue this marketing module, which consists of the following required courses: <ul style="list-style-type: none"> • Elements of Marketing • Marketing: Experiential Learning II • 1-2 other Marketing classes • Elective—Students will have the opportunity to choose an additional class from a list of business elective courses as determined by the business department.

NOTE: Courses subject to change

Business Certificate Programs

INTERMEDIATE BUSINESS ESSENTIALS (1 QUARTER) \$7,000 INTERMEDIATE BUSINESS ESSENTIALS (2 QUARTERS) \$11,500 INTERMEDIATE BUSINESS ESSENTIALS (3 QUARTERS) \$16,000

The Intermediate Business Essentials program is reserved for the student who has obtained a bachelor's degree, possesses little or no full-time, post-university, professional work experience, and demonstrates a high level of English language competency.

Program Benefits:

- This program can be taken for one, two or three quarters.
- Students have elective options in both quarter two and quarter three.
- Study alongside international and American students in some classes and build your network.
- Apply for OPT after three consecutive quarters of study.

Nicole Grynkrout Hajczylewicz

BRAZIL

When I initially chose to come to UC San Diego, my main reasons were its well-known name, and the weather in San Diego. The university has exceeded my expectations. The campus is really amazing, with a cozy, cheerful environment. Studying in the Business Essentials program has enhanced my business knowledge, especially relating to American business practices. After UC San Diego, I will finish my degree in Business Administration and get a good job. I believe that all the new experiences and knowledge gained will be applicable in both my professional and personal life. The certificate has helped qualify me to pursue a successful career.

INTERMEDIATE BUSINESS ESSENTIALS ADMISSION REQUIREMENTS

Proof of Language Proficiency	TOEFL paper-based: 550	TOEFL iBT: 80	TOEIC: 760	IELTS: 6.5	Cambridge Advanced or Proficiency Exams: Pass
-------------------------------	------------------------	---------------	------------	------------	---

Additional requirements:

1. Official final transcripts in English indicating a strong academic history; include grading key.
 - a) Bachelor's degree required.
 - b) Applicants who have pursued graduate-level coursework or degrees must include those transcripts as well.
2. Dated and signed letter of recommendation on university or company letterhead from a professor or supervisor.
3. Resume or CV.
4. Essay: minimum 200 words explaining your qualifications and motivation for taking the program.

Note: There is no internship included in the Intermediate Business Essentials program.

Intermediate Business Essentials Overview

1st quarter (15 units)	2nd quarter (12-15 units)	3rd quarter (12-15 units)

Business Certificate Programs

Enzo Massera

SWITZERLAND

The UC San Diego Business Management Certificate with a concentration in Finance allowed me to increase my knowledge in this field and to improve my English communication skills while being immersed in an amazing blend of international and American students.

BUSINESS MANAGEMENT (2 QUARTERS) \$11,500

BUSINESS MANAGEMENT (3 QUARTERS) \$16,000

The Business Management Program is designed for the student who has obtained a bachelor's degree and one to two years of full-time, post-university, professional work experience. Students elect to specialize in one of the following areas: Finance, Human Resources, Marketing, or Global Commerce.

Program Benefits:

- Develop solid business management skills with a specialization in a field of your choice.
- Learn resume-writing and interviewing skills; receive a professional resume critique.
- Complement the classroom experience and build your professional contacts by completing a 120-hour unpaid internship at a reputable company.
- Study alongside American students in evening classes (during the second and/or third quarters) to further enhance your network.
- After two quarters, receive a Professional Certificate in Business Management with a specialization in Finance, Human Resources, Marketing, or Global Commerce.
- Apply for OPT after three consecutive quarters of study.

BUSINESS MANAGEMENT ADMISSION REQUIREMENTS

Proof of Language Proficiency	TOEFL paper-based: 550	TOEFL iBT: 80	TOEIC: 760	IELTS: 6.5	Cambridge Advanced or Proficiency Exams: Pass
Additional requirements: <ol style="list-style-type: none"> 1. Official final transcripts in English indicating a strong academic history; include grading key. <ol style="list-style-type: none"> a) Minimum requirement is successful completion of a bachelor's degree. b) Applicants who have pursued graduate-level coursework or degrees must include those transcripts as well. 2. One to two years of full-time, post-university, professional-level work experience. Internships and part-time work will not be counted. 3. Dated and signed letter of recommendation on university or company letterhead from a professor or supervisor. 4. Resume or CV. 5. Essay: minimum 200 words explaining your qualifications and motivation for taking the program. 6. A spoken language phone screening may be required for students applying to Business Management. This can be conducted in person if the applicant is already in San Diego; otherwise it will be done by phone or Skype. 					

Business Management Overview

1st quarter (15-20 units)	2nd quarter (12-15 units)	3rd quarter (12-15 units)
Required courses: <ul style="list-style-type: none"> • Business Law for Managers • Elements of Marketing • Financial Accounting for Non-Accountants (FAFNA) • Organizational Behavior • Leveraging Human Capital (Finance, HR, and Global Commerce specializations) • Practical Market Research (Marketing specialization) • Directed Studies – Internship Preparation 	Required courses and internship experience: <ul style="list-style-type: none"> • Business Decision Making • 120 Hours of Internship Three required courses in area of specialization: <div> Finance: <ul style="list-style-type: none"> • Finance Management • Financial Statement Analysis • Compensation and Performance Management </div> <div> Human Resources: <ul style="list-style-type: none"> • Compensation and Performance Management • Strategic Talent Acquisition • Training and Development </div> <div> Marketing: <ul style="list-style-type: none"> • Product Management, Branding and Positioning • Basics of Project Management • Content Marketing </div> <div> Global Commerce: <ul style="list-style-type: none"> • International Finance and Capital Markets • International Trade Operations • Global Marketing </div>	Advanced Studies: <p><i>Students who successfully complete two quarters of Business Management can further develop their skills in an area of specialization and earn a Certificate of Completion in Advanced Studies.</i></p> <ul style="list-style-type: none"> • Capstone project or class • Two required courses in area of specialization (please see website for detailed course descriptions) • In addition to the required courses, students will have the opportunity to choose additional units from a list of business elective courses as determined by the business department.

Business Certificate Programs

PROJECT MANAGEMENT (2 QUARTERS) \$12,500

The Project Management Program is designed for the student who has obtained a bachelor's degree and one to two years of full-time, post-university, professional work experience AND who is seeking a practical, hands-on approach to gaining the knowledge and tools necessary for handling complex projects within various types of organizations and industries. Based on the Project Management Body of Knowledge (PMBOK) developed by the Project Management Institute (PMI), the curriculum provides an in-depth study of the elements essential to initiate, execute and complete a successful project.

Program Benefits:

- Develop highly marketable competencies in project management.
- Build strong interpersonal skills critical to conducting work in a team environment; enhance abilities to manage conflicts and address challenging situations.
- Complete a final capstone class, where you will have the opportunity to use the tools acquired in the program to complete a directed-studies project.
- Study alongside American students in some of the classes, building your professional network.
- Fulfill the necessary education hours needed for the PMP or CAPM Certification exam.
- Take this alone or in sequence with another business program; apply for OPT after three consecutive quarters of study.
- Upon completion of the Certificate in Project Management, some units can be transferred to the University of Wisconsin, Platteville, M.S. in Project Management (Master's degree offered fully online). Learn more at: www.uwplatt.edu/disted/project-management.html

PROJECT MANAGEMENT ADMISSION REQUIREMENTS

Hina Shaikh

INDIA

I like everything about UC San Diego and the Project Management Certificate program. The classes are small and the instructors are distinguished professionals who link theory and practice from their own experiences. Participating in interactive lessons and studying alongside other working professionals makes learning more interesting. UC San Diego has definitely let me charter and set my career course. I previously worked as a project manager in Doha, Qatar. Following completion of my Certificate, I plan to apply for OPT to help me gain work experience and allow me to practice my newfound skills in the United States. It will be interesting to see how projects are managed in this part of the world and I am excited to begin this new chapter of my professional life.

Project Management Overview

1st quarter (15 units)	2nd quarter (12-15 units)	Interested in OPT?
Required courses: <ul style="list-style-type: none"> • Project Management Essentials OR Project Management Boot Camp • Work Team Concepts and Skills • Interest-Based Negotiation • Business Communication Skills • Managing for Maximum Performance or other management skills course 	<ul style="list-style-type: none"> • Project Planning and Scheduling • Controlling Project Costs and Risks • Project Procurement Management • Directed Studies—Capstone Class • Elective—Students will have the opportunity to choose an additional class from a list of business elective courses as determined by the business department. 	<p>Project Management students who would like to apply for OPT may select and apply for an additional quarter to be chosen from those described in the Business Essentials program. Apply for both the Project Management Program and one quarter of Business Essentials when completing application materials; the Business Admissions Officer will work one-on-one with you to determine your one-quarter option.</p>

Teaching English as a Foreign Language (TEFL) Certificate Program

Bernardita Benavides
CHILE

The teachers were my favorite part of my experience at UC San Diego. I was motivated by their commitment and passion for teaching. By taking the TEFL certificate, I have acquired more teaching techniques, skills, and practice in teaching young students in the early stages of learning English.

TEFL PROFICIENCY CERTIFICATE \$4,750

Note: Students who transfer directly from a 10-week UCSD-ELI English program or UCSD-ELI TEFL program will get a \$250 USD discount on their tuition for this TEFL program.

This three-month course is a foundation course in TEFL for non-native English speakers.

What this program includes

The curriculum consists of the following core courses:

- Introduction to Pronunciation and Fluency for Language Teachers (27 hours)
- Introduction to Teaching English as a Foreign Language (27 hours)
- Introduction to Teaching Writing (27 hours)
- Oral Presentations for Language Teachers (27 hours)

PROFESSIONAL CERTIFICATE PROGRAM IN TEFL \$8,300

This six-month program focuses on the development of effective classroom teaching skills and modern English language teaching techniques to students in non-English speaking countries and in intensive English programs.

Both prospective and current English teachers can substantially improve their knowledge of English language teaching in this program.

What this program includes

The curriculum consists of the following core courses:

- Advanced Analysis of English Sentence Structure (27 hours)
- Best Methods in Teaching Listening Skills (27 hours)
- Best Methods in Teaching Pronunciation and Fluency (27 hours)
- Best Methods in Teaching Speaking Skills (27 hours)
- Teaching Writing for Academic and Professional Purposes (27 hours)
- TEFL Practicum: Best Methods in Developing and Delivering Lesson Plans (27 hours)
- Theories and Methods of Language Teaching and Learning (27 hours)
- Theory and Methods of Reading Instruction (27 hours)

In addition, three all-day Saturday workshops or one additional three-unit elective course must be completed.

Students can choose from several electives, depending on what is offered each quarter. Some examples are:

- Advanced Analysis of English Sentence Structure II (3 units)
- Games for the EFL Classroom (1 unit)
- Grammar and Editing I or II (3 units each)
- Oral Presentations for Language Teachers (3 units)
- Pronunciation Workshop: Special Needs in the Asian Classroom (1 unit)
- Teaching TOEFL Prep Classes: Paper and Internet (1 unit)

OPTIONAL SUMMER INTENSIVE \$8,300

Complete the Professional Certificate Program in TEFL in just three months - same courses in a shorter time!

Note: Students who transfer directly from a 10-week UCSD ELI English program or UCSD-ELI TEFL program will get a \$500 USD discount on their tuition for the Professional Certificate Program in TEFL and the Summer Intensive Professional Certificate in TEFL program.

Program Highlights

- Receive a TEFL Proficiency Certificate or a Professional Certificate in TEFL
- Develop effective ESL/EFL teaching skills
- Learn first-hand from experienced ESL/EFL instructors
- Study alongside American students (Professional Certificate only)
- Improve English language skills
- Qualify for Optional Practical Training after three consecutive quarters of Certificate study
- The Graduate School of Education at Alliant International University (AIU) in San Diego will accept transfer credits from UC San Diego Extension's Teaching English as a Foreign Language (TEFL) Certificate Programs to its Master of Arts in Education with an emphasis in Teaching English to Speakers of Other Languages (TESOL). For more details, contact our TEFL Coordinator, Kim Gonzalez, at tefl@ucsd.edu.

Teaching English as a Foreign Language (TEFL) Certificate Program

Concurrent TEFL Studies

Students who enroll in the TEFL Professional Certificate, Special Studies in TEFL Certificate, or TEFL Proficiency Certificate **may pay for additional classes** in order to obtain concurrent certificates in the areas of Teaching English to the Young Learner (TEYL) and Teaching English Grammar (TEG). The TEYL and TEG certificates cannot be taken alone, as they are not eligible as full-time programs, and they do not provide students with an I-20. The required courses and electives for each concurrent certificate may not all be offered in one quarter. It may take up to three quarters to complete each certificate. Course fees paid are in addition to tuition fees paid for other TEFL certificate programs.

TEACHING ENGLISH TO THE YOUNG LEARNER (TEYL)

Students who are already enrolled in the Professional TEFL Certificate and/or the Special Studies certificate, and who are interested in attaining additional competencies in teaching English as a foreign language.

What this program includes

The required courses are:

- TEYL Focus on the Classroom (3 units)
- TEYL Focus on the Learner (3 units)
- TEYL Focus on the Teacher (3 units)

Students can choose 3 units from the available workshops or courses each quarter. Sample workshops include:

- Bookmaking for the EFL Classroom (1 unit)
- Games for the EFL Classroom (1 unit)
- Music in the EFL Classroom (1 unit)
- Visual Media in the EFL Classroom (1 unit)

TEYL concurrent certificate fee: \$100 (non-refundable)

TEACHING ENGLISH GRAMMAR (TEG)

Students who are already enrolled in the Professional TEFL Certificate and/or the Special Studies certificate, and who are interested in attaining additional competencies in teaching English as a foreign language.

What this program includes

The required core courses are:

- Advanced Analysis of English Sentence Structure I (3 units)
- Advanced Analysis of English Sentence Structure II (3 units)

Students can choose 6 units from the following courses:

- Advanced Grammar Seminar (3 units)
- Grammar and Editing I or II (3 units each)
- Grammar Workshops I-IV (four different 1-unit workshops)

TEG certificate fee: \$100 (non-refundable)

Class Schedule and Transportation

Individual schedules depend on emphasis and electives chosen. Most TEFL classes are available at the UC San Diego campus in daytime, but access to a car or other reliable transportation is required for evening and off-site classes. Early enrollment is strongly recommended for best selection of courses and class times.

SPECIAL STUDIES IN TEFL \$4,750

This is a full-time, three-month program of select courses in TEFL and other academic areas to enhance teacher preparation. Students must choose and enroll in a total of 12 UC San Diego Extension units, with the advice and approval of the TEFL Coordinator.

Note: Students who transfer directly from a 10-week UCSD-ELI English program or UCSD-ELI TEFL program will get a \$250 USD discount on their tuition for this TEFL program.

For more information about any of the TEFL programs, contact tefl@ucsd.edu

TEFL PROGRAMS ADMISSION REQUIREMENTS

TEFL Program	TOEFL		TOEIC	IELTS	Cambridge FCE and Advanced Exams: Pass	TEPS
	TOEFL paper-based: 525	TOEFL internet-based (iBT): 69				
TEFL Proficiency			690	6.0		600
TEFL Professional Certificate, Special Studies in TEFL, TEYL, TEG	TOEFL		TOEIC	IELTS	Cambridge Advanced and Proficiency Exams: Pass,	TEPS
	TOEFL paper-based: 540	TOEFL internet-based (iBT): 78

Summer Intensive TEFL	TOEFL		TOEIC	IELTS	Cambridge Advanced and Proficiency Exams: Pass	TEPS
	TOEFL paper-based: 550	TOEFL internet-based (iBT): 80				
Summer Intensive TEFL			760	6.5		670

Additional requirements:

1. Copy of transcripts in English for the two most recent years of academic studies
2. A one-page statement explaining why you would like to take a TEFL certificate program
3. See TEFL application deadlines on pages 2-3. If the required proof of English proficiency or any other required application document is submitted later than the application deadline, a \$100 USD late-submission fee will be required if we are able to accommodate a late application review and if there is space in the program.

Custom Programs

Nicknamed the Silicon Valley of Southern California, the San Diego region boasts a wide array of companies in technological, life sciences, financial, telecommunications, and software industries:

- 800+ Cleantech/Environmental
- 600+ Sport Innovators
- 3,000 IT/Wireless/Communications/Software
- 80+ Research Institutes
- 260+ Defense/Transportation
- 600+ Biomedical/Life Sciences
- 50+ Mobile Health and Genomics
- 75+ Bioinformatics
- 75+ Cybersecurity and Autonomous Robotics
- 250+ Biofuels/Solar Energy and Energy Storage

The mild climate, beautiful landscape, and the many cultural and entertainment attractions of San Diego, compliment the training experience by providing many opportunities for recreational and cultural enjoyment.

Dr. Mayfield, Director of California Center for Algae Biotechnology, with student

UC San Diego Rady School of Management

Custom Programs

UC San Diego Extension International Programs department has a long and rich history of offering high-quality customized programs and seminars for international groups of students, professors, and professionals. We can create the perfect combination of studies and services for a group of any size, according to your specifications.

In collaboration with UC San Diego main campus and UC San Diego Extension departments, we have developed and delivered custom programs for many years in the following areas:

1. Innovation and Entrepreneurship
2. Healthcare Leadership and Management
3. Oral Presentations and Public Speaking
4. Business, Economics and Trade
5. Engineering and Technology
6. University Faculty Development
7. University Student Affairs Development
8. English Language Teacher Training
9. Science Teacher Development
10. University Academic Preparation

To receive a Custom Program Inquiry Form, please send your request to ipmarketing@ucsd.edu.

San Diego Attractions and Activities

To help students make the most of their stay in San Diego, our Activities Manager organizes activities that provide opportunities to meet American students and to go on excursions to nearby attractions.

- Day at the Bay Barbeque & Watersports
- Disneyland
- San Diego Zoo
- SeaWorld
- Universal Studios
- Whale Watching
- Conversation Café
- San Diego Padres Baseball Games
- Paintball
- Surf Day

Activities, such as the Day at the Bay and the Conversation Cafés, are free of charge. Others require a payment to cover transportation and admission tickets.

UC San Diego Sports and Events

While studying at UC San Diego Extension, you can take advantage of all that the UC San Diego campus has to offer. The university is great for outdoor activities and has one of the most comprehensive sports facilities among San Diego schools:

- Indoor and outdoor swimming pools
- Over 20 tennis courts
- Beach volleyball and basketball courts
- Soccer fields
- An aquatic center
- Sailing
- Surfing

For more information on UC San Diego sports and events visit:

- recreation.ucsd.edu
- calendar.ucsd.edu

San Diego Attractions

The year-round mild climate, beautiful beaches, and proximity to many other California attractions make San Diego the ideal location for a variety of leisure activities, such as:

- Beaches, deserts, and mountains
- Hiking and biking trails
- Museums
- Playhouses and theaters
- Music and symphony halls
- Shopping and restaurants

For more information about San Diego, visit:

- entersandiego.com
- sandiego.org

California and the West

San Diego is an ideal starting point for weekend trips to some of the most exciting attractions in the American Southwest, such as Joshua Tree National Park, Yosemite and the Grand Canyon National Parks, and Las Vegas.

General Information

MINIMUM AGE REQUIREMENT

You must be at least 21 years old to apply to the business certificate programs, and 18 years old to enroll in other programs. Seventeen-year-old students may be admitted when living with an adult guardian and the parents submit a letter attesting to the student's maturity. For more information please contact ipadmission@ucsd.edu. This age requirement does not apply to the Academic Connections International youth program.

WHEN TO APPLY

It is recommended to submit the application FOUR months in advance for the business programs. For all business certificate programs, no applications will be accepted within the final ten days before the published program start-date. Please see pages 2-3 for specific application deadlines for our TEFL and UPS programs. There are no application deadlines for our other programs. All programs close when they are full, regardless of application deadlines. **In any case, it is best to apply 12-16 weeks before the program start-date to allow enough time for us to process your application and for you to make your visa and travel arrangements.**

CERTIFICATES

Certificates with the UC San Diego university seal are awarded upon successful completion of your program. Excellent attendance and academic performance are essential for certificate eligibility in all programs.

PAYMENT

Total fees and tuition must be received in our office 30 days prior to the published program start-date. Accepted methods of payment: Cash, credit card (VISA/MasterCard/AMEX/Diners Club/Discover), traveler's checks, personal check, money order, cashier's check (drawn in U.S. currency on a U.S. bank), or bank-to-bank transfers using Western Union Business Solutions online. We cannot accept payment by bank wire for the application fee or express mail fee. Please pay these fees by credit card or check (U.S. bank only).

It takes 10 – 15 business days for payments to be applied to a student's account. Payments made by credit card are sometimes delayed because of credit card limits. Due to these delays, we strongly recommend that students or their agents complete payment of all tuition and fees at least 45 days before their program start-date to ensure timely receipt and recording of payment and to avoid delays in the beginning of the student's program.

FEES FOR LATE ARRIVAL AND LATE REGISTRATION

If a student arrives on time and is not able to complete registration by the end of the first day of the program or if a new student arrives late, we will charge the student a \$200 USD Late Registration Fee. Students should be sure to arrange their travel to San Diego and accommodations in advance so that they can be here for the first day of the program. The first day of the program is the published start-date in our brochure and on our website.

If a student pays all fees to an agency, the student must bring an agency receipt to the program registration to verify that all payments to an agency have been made.

Note: We recommend payment of tuition and fees by credit card. If a student cancels or withdraws from a program, a refund to a credit card takes just 7-10 business days. A refund to a student by any other means can take 4-6 weeks to process, plus 4-10 weeks for overseas mail delivery.

WITHDRAWALS AND NON-REFUNDABLE FEES

All fees are non-refundable and non-transferable. The non-refundable, non-transferable fees are the following: application fee, testing, insurance, International Student Service, express mail, bank-to-bank fees, program change, late registration, and cancellation fees.

Students who applied through an agency or representative are subject to the agency refund policy and will receive any refund through their agency, not from UC San Diego.

All refund requests must be in writing. All charges are subject to change. Please inquire about current charges at time of withdrawal or change of program. Refunds take approximately 5-6 weeks to process.

Refund Schedules

All programs in this brochure lasting 10 weeks or more:

Prior to first day of the program (published start-date in brochure)	Full refund of tuition
1st day of program through end of first week of classes (3:00 p.m. Friday)	50% refund of tuition minus a \$500 withdrawal fee
Week 2 of program classes and later	No refunds

English Language Institute programs and seminars, less than ten weeks

Prior to first day of the program (published start-date in brochure)	Full refund of tuition
Day 1 of program	50% refund of tuition minus a \$500 withdrawal fee
Day 2 of program and later	No refunds

Academic Connections International and Summer Session I and II

Refund Schedules for Academic Connections International and Summer Session I and II may be found on the UC San Diego Extension International Programs website at www.ip.extension.ucsd.edu.

STUDENT VISAS

UC San Diego Extension International Programs is authorized under federal law to enroll non-immigrant alien students. We issue the I-20 form to students who meet our admission requirements and who provide evidence of sufficient financial verification. Almost all students in our full-time programs come to the United States on F-1 student visas. In order to apply for an F-1 student visa, you will need an I-20 Form (Certificate of Eligibility for F-1 Visa). You then take this I-20 to a U.S. Embassy or Consulate and apply for an F-1 Visa.

If you plan to apply for an F-1 visa, please complete the I-20 Request section on page A4 of the application for enrollment in this brochure and provide signatures and a statement of financial verification as indicated. You can also find our application form on our website: www.ip.extension.ucsd.edu and click on the tab called "How to Enroll."

If you are in any doubt about which kind of visa you need, we recommend that you ask either your local counseling source or the U.S. Embassy or Consulate for information. You may also contact our office at ipinfo@ucsd.edu.

Additional Costs

❗ ISS Program Change Fee \$150

This fee is required each time the applicant wants to change programs or program dates after submitting the original application for enrollment.

❗ Late Registration Fee \$200

This fee is required if a student is not able to complete registration by the end of the first day of the published program start-date.

❗ Business Program Extension Fee \$500

If the student requests and is approved for a longer program, the student must pay a \$500 USD Business Program Extension fee, plus any additional tuition required for the longer program. However, if the student requests and is approved for a longer program during the first week of classes in their first quarter, the Business Department will waive the \$500 Program Extension fee.

🌐 International Student Services Fee (required)

Students have access to many University Extension resources, including computer labs, academic advising, visa counseling, housing assistance, campus Student Health Services, and many other general student needs.

Cost:

- \$140 per short program or seminar of 1-4 weeks
- \$350 per quarter or session of 5-10 weeks
- \$700 for 2-quarter programs
- \$1,050 for 3-quarter programs
- \$1,400 for 4-quarter programs

✈️ Airport Transportation

The San Diego airport is located in downtown San Diego, about 30 minutes from the UC San Diego campus by car and about 1 hour 20 minutes by bus.

There are options according to housing choice:

Homestay or rent a room in a home—For an additional fee your host family will pick you up and bring you to the San Diego airport when you return to your country at the end of your UC San Diego studies. Inquire when booking for details.

Off-campus apartments by Anatolia—Airport pickup service may be included for stays of 10 weeks or more. Inquire when booking for cost. Off-campus housing by the Marriott Residence Inn—Information about a discount shuttle will be provided after reservation confirmation. Inquire when booking for details.

On-campus housing (summer only)—Information on airport shuttle and taxi transportation is included with UC San Diego Extension International Programs' acceptance materials.

📖 Books and Instructional Materials

Books and materials are not included in the program tuition. Payment for all books and instructional materials CANNOT be made in advance and must be purchased upon arrival at UC San Diego.

ELI 10-week Programs: approximately \$400 per program

ELI Short-term Programs: approximately \$150-\$175 per program (varies by program)

Certificate and University Credit Programs: Approximately \$200-\$800 per quarter.

💻 Computer Labs and Internet Access

All international students have access to two computer labs (46 stations) at UC San Diego Extension. Preference for computer lab use is given to class-related work. All computers have high-speed internet connections and are functional in multiple languages. Printing costs 10 cents per page; no cost for computer use.

🍴 Meals

The cost of meals varies greatly depending on budget and tastes, but a good meal costs about \$8 - \$10.

Note that some housing choices include some meals. Homestay, for example, includes breakfast and dinner, and on-campus housing in summer includes three meals per day.

🏠 Housing

See pages 28-29. Also check ip.extension.ucsd.edu for updated information and additional details on housing options for UC San Diego Extension international students.

⚕️ Medical Insurance (required)

Medical Insurance is mandatory for all students. The proof of insurance must be in ENGLISH ON INSURANCE COMPANY LETTERHEAD and INCLUDE DATES OF COVERAGE (start date and end date) FOR THE ENTIRE PERIOD OF YOUR PROGRAM AND FOR ALL FIVE MINIMUM COVERAGE AMOUNTS SHOWN ON PAGE A5, THE MEDICAL INSURANCE VERIFICATION FORM. Insurance paid in monthly installments will not be accepted.

The Medical Insurance Verification Form on page A5 of the application form must be filled out by the student's insurance company and sent to iphealth@ucsd.edu at least 30 days before the start of the program. If you do not have adequate proof of insurance for the amounts shown on our Medical Insurance Verification Form, then you must purchase UC San Diego medical insurance. The cost of UC San Diego medical insurance is as follows:

Programs shorter than 4 weeks	\$45 per week
4-week programs	\$180
5-week Summer Session	\$225
10-week programs & University Credit Programs	\$540
Certificate Programs - 1 quarter	\$630
Certificate Programs - 2 quarters	\$1,170
Certificate Programs - 3 quarters	\$1,800
Certificate Programs - 4 quarters	\$2,340

The UC San Diego Extension medical insurance policy for international students covers hospitalization, with some exceptions, and many other medical expenses, but not dental or eye care. You can purchase dental and vision plans at an additional cost. Medical insurance is non-refundable. Accompanying spouses or children should also have medical insurance for the duration of the student's enrollment at UC San Diego. UCSD medical insurance for accompanying family members is available for purchase if the enrolled student has purchased UCSD medical insurance. **For information on this requirement, contact our staff at iphealth@ucsd.edu.**

📖 Library Card (optional)

You can use the campus library without charge. To borrow books, however, you must buy a library card: approximately \$15 for three months.

👤 UC San Diego Photo Identification Card (optional)

Payment for the UC San Diego photo ID card CANNOT be made in advance and can only be purchased after the arrival at UC San Diego. Cost: \$15

🏊 Recreation Card (optional)

To use the campus swimming pools, tennis courts, fitness centers, and other campus recreational facilities, you have to buy a "Rec Card," which is approximately \$100 per quarter.

🚗 Transportation (optional)

Bike rental: approximately \$45 per week, or \$130 per quarter.

Shuttle service: free with student ID

Bus pass: Quarterly passes are approximately \$150 and monthly passes are approximately \$75. Prices are subject to change.

Car rental: approximately \$500 per month.

Parking on campus: approximately \$61 per month.

See parking.ucsd.edu.

🇺🇸 OPT Application Assistance (optional)

We provide advising and application assistance to students who apply to the U.S. Citizenship and Immigration Services for permission to work in the U.S. for up to one year under the Optional Practical Training program. (See page 12.) Cost: \$100 (Government filing fees are a separate cost.)

Please Note: All fees are subject to change.

Housing

BENEFITS

THINGS TO CONSIDER

Homestay

- For a fee of \$60, your host family or host meets you at the San Diego airport
- For a fee of \$40 USD your host family will take you to the San Diego airport
- In homestay, you can see how Americans live and you will have plenty of opportunities to practice your English
- Homestay includes two meals a day (breakfast and dinner) or you may rent a room with no meals included
- Sheets and towels are provided regularly
- Laundry facilities are available
- You must live with rules and a lifestyle set by your host or host family

- Host or host families do not provide transportation (except San Diego airport pick-up and drop-off for a fee, if requested)
- Average commute by bus is 45 minutes (maximum 60 minutes door-to-door)
- Internet access is available, but students will need to provide their own computers
- Renting a room does not include meals, but you can do light cooking and clean the kitchen when you are done

Near-campus apartments by Anatolia

- Free shuttle service from airport to Anatolia for stays of 10 weeks or more. There is a \$55 fee for pick-up at the San Diego Airport for stays of less than 10 weeks.
- Close to UC San Diego (10 minutes by bus or bike ride to UC San Diego Extension)
- Staff on call to assist international students who have difficulty expressing themselves in English
- Fully furnished apartments including cotton bed linens, blankets, TV & DVD, kitchen utensils, washer and dryer
- Utilities, weekly maid service, local phone, wireless high-speed internet, basic cable TV service all included
- High-quality amenities—including tennis courts, pools, spas, business centers and fitness centers at most locations

- Walk to school, shopping centers, restaurants, grocery stores, coffee shops
- Meals not included. Fully accessorized kitchen is provided so you can cook your own meals
- You live with other international students
- You have to share your bedroom, bathroom, kitchen and living area (two people to a room, four to an apartment, two bathrooms per apartment)
- Same-gender apartments only (couple accommodations available upon request)

On-campus apartments

- Short walk or bike ride to classes, swimming pool, gym and all campus events
- Apartments include full kitchen, dining area, living room area, and outdoor patio or balcony
- All meals included at campus cafeterias with limited hours and assigned times
- Sheets, blankets, towels and some housekeeping included
- Internet access available for a small set-up fee
- You live with other international students
- There are no private bathrooms; one bathroom per apartment
- You have to share the bathroom, kitchen and living area; usually four or five people per apartment; student-style, simple living

- No kitchen utensils or dishware
- You have to follow campus rules (for example, no smoking is allowed anywhere on campus and no alcohol unless you are over 21 and inside your room)
- The nearest cafeteria is a 10-minute walk away and has a fixed schedule
- TV and telephone not provided: installation available after move-in for an additional fee
- Campus parking permit not included
- Arrange your own airport shuttle (instructions provided with acceptance materials)
