If you have questions about your admission process, please first check your personal account in [universityadmissions.se](https://www.universityadmissions.se). If you need more help, please contact the Admissions support centre using one of the means at the bottom of the page:

<https://www.universityadmissions.se/en/All-you-need-to-know1/admissionssupport/#human-universityadmissions=/contact;id:1304>

**Documentation needed for application:**

1. A copy of the page in your passport with your personal data and photograph, or a similar identification document.
2. Official transcript from your home university in original language and an official translation to English.
3. High school diploma in original language and an official translation to English. If you can not get this, we can handle your application anyway but it will be less smooth.\*

\* Please keep an eye on your application process on [universityadmissions.se](https://www.universityadmissions.se), and contact us on [info@ibg.uu.se](mailto:info@ibg.uu.se) if you have submitted no.1 and 2 above, and get questions about English requirements or high school diploma.

<sup>1</sup> One Swedish credit equals ca 30 study hours. Two weeks full time studies give 3 credits.

<sup>2</sup> The evaluation process will not start until you have paid the application fee. The fee will allow you to apply to 4 summer courses in Sweden. We cannot guarantee admission even if you have paid your fee. The fee is not refundable.

<sup>3</sup> It is possible to follow the personal admission process when logged in to the website [universityadmissions.se](https://www.universityadmissions.se). This is where all steps in the process are communicated.
