

Application Requirements for Monbukagakusho (MEXT) Scholarship 2021

MEXT (Ministry of Education, Culture, Sports, Science, and Technology) offers scholarships to foreign students who wish to study at Japanese universities as research students under the Japanese Government (MEXT) Scholarship Program for 2021 as follows:

1. QUALIFICATIONS

- 1) Eligible applicant: One who has completed or will complete a 16-year school curriculum in the home country or the equivalent and officially recommended by the president or the dean of his/her home institution faculty
 - 2) Nationality: Applicant must have the nationality of a country which has diplomatic relations with the Japanese government. Applicant who has Japanese nationality at the time of application will not be eligible.
 - 3) Age: Applicant must have been born on or after April 2, 1986.
 - 4) Academic Background: Applicant must be a graduate from a Japanese university or have academic ability equal or superior to that of a university graduate. A person will be deemed to have academic ability equal or superior to that of a university graduate, if he/she
 - a) has completed or will complete a 16-year school curriculum in the home country. Or
 - b) will be aged 22 years old or older and has taken an individual entrance qualification examination and has been judged by a graduate school as being equal or superior in academic ability to a university graduate.
- Note: Eligible applicants include those who otherwise satisfy or will satisfy qualification requirements for admission to a Japanese graduate school.
- 5) Major Field of Study: Applicant should apply for the field of study he/she studied at the previous university or any related field. Applicant must choose a field on which offered at Otaru University of Commerce (OUC).
 - 6) Health: Applicant must be physically and mentally healthy enough to pursue study at university.
 - 7) Japanese Language: One with insufficient Japanese proficiency for his research field cannot be accepted unless there is any special reason. At OUC, for example, the students who would like to move on to MBA course, or to study Japanese legal system and such must provide a test result to show his/her Japanese language proficiency.
 - 8) **The applicant's grade point has to be above 2.30 and should maintain the equal grade at OUC. (see Page4 of "Monbukagakusho Scholarship 2021 SCHOLARSHIP OVERVIEW" for details)**
 - 9) Arrival in Japan: Applicant must be able to leave for and arrive in Japan on the day requested by Otaru University of Commerce, which is within two weeks before or after the first day of the semester. One shall decline the acceptance of the scholarship if he/she cannot arrive in Japan on the date set by Otaru University of Commerce. Travel expenses will not be provided if the applicant choose to travel to Japan before/after this set period.
 - 10) Visa Requirement: If selected, Applicant will be required to acquire a "College Student, (*ryuugaku*(留学))" visa prior to coming to Japan. (Applicant who comes to Japan with a visa or resident status other than that of "College Student" will not qualify for a Japanese government's scholarship. Also keep in mind that if an applicant changes his/her resident status to any status other than "College Student" after entry into Japan, he/she will immediately lose his/her status as a Japanese government scholarship student.)

One shall decline the acceptance of the scholarship in the following cases:

Note 1: A service member or a civilian employee registered on the active military list is excluded from eligible scholarship grantees.

- Note 2: The Applicant unable to travel Japan within the dates set by Otaru University of Commerce.
- Note 3: Applicant who was a grantee of a Japanese Government Scholarship in the past will not be selected unless he/she has had at least three years of research or teaching experience after returning to his/her home country. This exclusion will not apply to a research-student applicant, who (i) as a foreign student in Japan received training in the Japanese language and/or Japanese culture at a university and graduated from it, or who (ii) was a foreign student in Japan under the Japan-Korea Joint government scholarship program for the students in science and engineering department and returned home.
- Note 4: Applicant will not be selected if he/she is a grantee of a scholarship from an organization (including a governmental organization of his/her own country) other than the Japanese government (MONBUKAGAKUSHO: MEXT).
- Note 5: Applicant will not be selected if he/she makes any other application(s) for scholarship offered by the Japanese government (MONBUKAGAKUSHO: MEXT) or Japan Student Service Organization (JASSO) through different university. That includes the students who have already been accepted and plan to continue to be as a Monbukagakusho (MEXT) scholarship or Japan Student Service Organization (JASSO) scholarship recipient after the fall semester 2021.
- Note 6: An applicant who has already been accepted and will be enrolled in a Japanese university from 2021 as a privately financed student.

2. TERM OF SCHOLARSHIP

The term of scholarship will differ as follows depending on the course a grantee takes in Japan:

- (1) In a case where Grantee will enroll as a research student, non-degree student, or auditor, etc. (hereinafter referred to as "Research Student") after coming to Japan:
His/her scholarship will be payable for one year and six months from October 2021 to March 2023.
- (2) If Grantee directly enrolls in a master's course, doctoral course, or professional graduate course after coming to Japan, the scholarship will be payable for a period necessary for Grantee to complete his/her regular course (standard course term).
If Grantee desires to proceed to a regular graduate course from a Research Student course, or to a doctoral course from a master's course or a professional graduate course, he/she may have the term of his/her scholarship extended upon successful examination by MEXT provided that he/she has outstanding academic achievement that meets certain criteria.
Please note that scholarship extension application is possible only if the grantee is proceeding to a program of higher degree.
In case Grantee desires to proceed to a master's course from a Research Student or a doctoral course from master's course or professional graduate course, he/she will not be allowed to transfer to another university.

3. SCHOLARSHIP BENEFITS

- (1) Allowance: The amount of allowance has not been determined yet.
Please note that there might be a change in the amount depending on the annual budget or / and the prices in 2021.

Following is the information from the 2020:

Each grantee will be provided monthly with 143,000 yen (Research Student course), 144,000 yen (students enrolled in a Master's program or a professional degree program), or 145,000 yen (students enrolled in a doctoral program). (Subject to change, however, depending upon the annual budget of each year). The scholarship will not be paid to a grantee who takes a leave of absence or is long absent from his/her university.

(2) Traveling Costs:

1. Transportation to Japan: Each grantee will be provided, according to his/her itinerary and route as designated by MEXT, with an economy class air ticket from the international airport closest to his/her place of residence to Narita International Airport (or New Chitose Airport). Expenses such as inland transportation from his/her place of residence to the international airport, airport fees, airport tax and any special taxes on overseas travel will NOT be provided. ("Place of residence" of the grantee shall in principle be the address stated in the application form). No air ticket will be provided for a flight from a place other than the country of the grantee's nationality.

2. Transportation from Japan: The grantee who returns to his/her home country within the last-payment month of his/her scholarship will be provided, upon application, with an economy class air ticket for a flight from Narita International Airport or New Chitose Airport to the international airport closest to his/her place of return.

Note: Insurance premiums for travel to/from Japan shall be borne by the grantee. The airport the grantee departs from or returns to must be an airport of the country of his/her nationality.

(3) School Fees: The university which will accept the applicant will cover tuition.

4 NOMINATION

After a selection, OUC will nominate the applicant to the Japanese government (MEXT) with necessary documents in designated format.
